DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

Applicant is requested to correct these deficiencies.

As per claim 1, the Examiner suggests applicant to insert a step, which positively recites determining a winning bid in order for the intended result recited in the preamble to be realized. Applicant is advised to do the same for independent claims 11 and 21.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

2. The prior art taken alone or in combination failed to teach or suggest determining a probability that a user selected bid value is greater than a randomly sampled competing bid values included in a generated auction scenario as recited in independent claims 1, 11 and 21.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Frantzy Poinvil whose telephone number is (571) 272-6797. The examiner can normally be reached on Monday-Thursday.
